October 5, 2021

This is an official announcement from ISD 2909. As you are probably well aware, last Monday, September 27th, the school board voted to require masks in all ISD 2909 buildings and all sponsored events. Starting Monday, October 4th, all spectators will be required to properly wear a mask while attending any indoor activity. If you choose not to or refuse to wear a mask, you will be asked to leave and may risk being barred from attending any ISD 2909 activities as well as issued a No Trespass order. While we understand that this may not be a decision that everyone agrees on, please do your part to ensure that all ISD 2909 activities are able to continue this school year and that we can keep fans in the stands. The teachers, coaches, game workers, and administrators are the people who are charged with implementing this requirement. Consequently, show them courtesy and respect as they perform their duties. Thank you for your support as we continue to navigate through this ever changing pandemic.
