Golden Bear Foundation
Granting Cycle
September 2022
February 2023

Thank you for interest in applying for a grant from the Golden Bear Foundation. We are excited about the 2022-2023 school year and urge all to apply.

We will be having 2 granting cycles this year and plan on granting \$3,500 per granting cycle. Applicants are encouraged to apply for both cycles, but are reminded that you will only receive one grant during the 2022-2023 school year. Each group selected will be awarded up to \$500.

Please keep in mind that we will be granting money to school sponsored activities that are aligned with our mission statement.

Golden Bear Foundation Mission Statement:

We work to develop the financial resources needed to support and actively promote the school district, develop community and alumni support, and to receive donations through acts of charitable fundraising activities.
