

Comprehensive Achievement and Civic Readiness Report

Rock Ridge Public Schools
2025-2026

Delivering a World-Class Education on the Iron Range

What is the CACR?

Comprehensive Achievement and Civic Readiness

(Formerly known as the World's Best WorkForce ~ WBWF)

- Minnesota Statutes 2013 section 120B.11
- Aligns existing district plans that are aimed at supporting student achievement and preparing students to be successful 21st century citizens

5 Goal Areas

- All children are ready for school
- All racial and economic achievement gaps between students are closed
- All students are ready for career and college
- All students graduate from high school
- Prepare students to be lifelong learners

Annual District Timeline

- **September - November** - Analyze Data and Review 24-25 Goals
- **December** - Stakeholder Meeting and Submit CACR plan to MDE
- **January 2025** - School Board Meeting presentation
- **Ongoing** - Monitor Current Plan

3	24-25	53%	47%

Note: This goal is no longer a goal of the CACR

24-25 WBFW Goals

Laurentian Goals:

- Our goal in reading K-6 is to increase our proficiency from 64% to 80% by the end of the school year, as assessed by FastBridge aReading. This test was only given to 2nd grade through 6th grade students. Their increase was from 64% proficiency to 69% proficiency. This is an increase of 5%.
- Our goal in math K-6 was to increase our proficiency from 67% to 80% by the end of the school year, as assessed by FastBridge aMath. This test was only given to 2nd grade through 6th grade students. Their increase was from 67% proficiency to 72% proficiency. This is an increase of 5%.

North Star Goal:

- Starting Monday, November 11th and ending Friday, May 23rd at North Star Elementary, Every student will go from 0 to 400 minutes of jobs/responsibilities dedicated to “Our School, Our Community” in one of the following areas: School Cleanliness, School Safety, Welcoming School Environment. The average student minutes of working on jobs/responsibilities was 686 minutes. This is 286 minutes more than the set goal.

Parkview Goals:

- Our goal in reading K-2 is to increase our proficiency from 63% to 80% by the end of the school year, as assessed by FastBridge earlyReading and aReading. (this number came from the average of the earlyReading data and aReading data). Their increase was from 63% proficiency to 62% proficiency.
- Our goal in math K-2 was to increase our proficiency from 62% to 80% by the end of the school year, as assessed by FastBridge aMath. This test was only given to 2nd grade students and their increase was from 62% proficiency to 68%, which is a 6% proficiency increase.

All Students Career and College-Ready by Graduation

The number of students taking a CTE (Career Technical Education) courses at the high school level will increase by 10%.

In 2022-23 ~ 423 students took CTE Classes between EGHS and VHS

In 2023-24 ~ 455 students took CTE Classes at RRHS

Increase of 32 students taking CTE classes. An 8% increase. Did not meet the goal, but still a great increase in a transitional year to RRHS!
