

## Four-Year-Old School Readiness Supply List

Each student will need the following supplies for their school readiness year. Please bring the supplies with you and your child on orientation day.

\*1 regular size backpack (keep in mind it needs to hold snow pants, boots, shoes, snacks and folders. **Please avoid those with wheels as they do not fit in our lockers.**)

\*1 box of 8 count big crayons

\*1 box of Crayola thick point markers

\*1 Crayola primary watercolor paint

\*1 pair of Fiskar children's metal scissors (blunt end)

\*BIG glue sticks (Elmer's is best. Students use about 3 per year of the big size. They are easiest to find in the fall and can be stored until we need them.)

\*1 box of gallon bags (boys only)      \*1 box of quart bags (girls only)

\*2 pack of unscented baby wipes

\*2 Clorox wipe

Looking forward to a GREAT year!!
