

Three-Year-Old School Readiness Supply List

Each student will need the following supplies for their school readiness year. Please bring the supplies with you and your child on orientation day.

- *1 regular size backpack (keep in mind it needs to hold snow pants, boots, shoes, snacks and folders. **Please avoid those with wheels as they do not fit in our lockers.**)
- *1 box of regular count crayons
- *1 box of Crayola thick point markers
- *1 pair of Fiskar children's metal scissors (blunt end)
- ***BIG** glue sticks (Elmer's is best. Students use about 3 per year of the big size. They are easiest to find in the fall and can be stored until we need them.)
- *1 water bottle
- *1 pack of unscented baby wipes
- *1 Clorox wipe
- *1 box of Kleenex

*****IMPORTANT:** Please bring a complete set of extra clothes (underwear, shirt, pants, and socks) in a **LABELED** Ziploc bag.
Looking forward to a **GREAT** year!!
