Section F. Shift Differential:

A shift differential of \$100 per month for the nine-month school year shall be paid to all employees regularly assigned to the afternoon shift or to their replacements in the event of absence, provided the replacement is assigned the afternoon shift for one (1) full week or more and further provided that the replacement shall receive the shift differential on a pro-rata basis for the week(s) assigned to the afternoon shift. This differential shall apply to any eight (8) hour shift starting at or after 1:00 p.m., Monday through Friday.

Section G. Call Out During Non-Regular Hours:

When schools are closed due to inclement weather or for other reasons whereby the Superintendent closes school, paraprofessionals and part-time employees shall not be required to report for duty and will not be in paid status. In any event, breaks shall not be taken until after two (2) hours of work and shall not exceed thirty (30) minutes per eight-hour shift from the time work is stopped until the time work is resumed.

Subd.3. Day shift employees shall leave the school property only during their designated lunch break or as directed by their immediate supervisor, unless an emergency arises.

Subd. 5. Lunch Break for Employees Off of School Property. Employees who are performing work off school property, supervising students on field trips or other non-regular events, shall receive a paid 30-minute lunch rather than the duty-free break described in Subd. 1 above.

Section L. Other Job Classification Overtime

Custodial overtime shall be offered to employees within the department based on building assignment. Rotation shall follow seniority order, starting with the most senior employee being offered the first available overtime, regardless of the assignment's hours. The next opportunity shall be offered to the next senior employee and shall continue on a continuous rotation.

Refusal of overtime shall constitute rotation.

Section M. Paraprofessional Hours for Training and Development

Paraprofessionals will receive a minimum of eight hours of training annually, including six hours completed before the first instructional day of the school year or within 30 days of hire.

Paraprofessionals, ECFE Aides, and Interpreters shall be allowed to review the IEP for any student they work with. Employees shall be scheduled for paid time prior to the start of each school year to review the IEPs of the students with whom they work, including time to ask questions and review the IEP with the assigned case manager. If, during the school year, IEP changes occur or student assignments change, the paraprofessional will be given additional time to review the IEP.

Section N. Summer 10 Hour Shifts

During weeks where school is not in session, Custodial-Maintenance employees may work a schedule that includes 4- 10-hour shifts rather than a regular 8-hour workday. Such schedule will only be implemented through mutual agreement of the employee and the employer, and either the employee or the employer can revoke their agreement to the schedule with 4 weeks' notice. If an employee opts to work 10-hour shifts, the employee will not earn or be

eligible for overtime unless their worked hours exceed 10 hours in a workday or 40 hours in a week.

Section A. Applicability:

Subd.1. All regular full and part-time bargaining unit employees working for Independent School District No. 2909 shall be covered by this Agreement and placed on the seniority list, except those employees listed in Article I, Section B (Exclusions).

Subd.2. In the event a current excluded position as of July 11, 1995, is subsequently certified by the Bureau of Mediation Services as a bargaining unit position, the occupant or occupant's seniority date shall, for seniority rights other than fringe benefits, be from the first date of paid status as a qualified public employee.

Subd.3. For fringe benefit purposes, the position occupant's date shall be from the first date of hire for the employee, which shall be defined as the first day of paid status.

Section B. Standing

Seniority standing shall be granted to all employees covered by this Agreement. The standing is to be determined on the basis of total length of employment for the School District. All new employees shall be placed on the seniority list as of their first date of paid status as a qualified public employee. In the event that two or more employees are hired on the same date, the following criteria will be used sequentially to determine seniority:

- a) First date of paid status as a qualified public employee
- b) Greater of the last four numbers of social security number

Section C. Seniority List:

Subd.1. A seniority list shall be kept and maintained for all employees. All such employees working at least 14 hours per week and more than 67 working days in any calendar year, and who otherwise qualify as a "public employee" within the meaning of the PELRA, as amended, shall be immediately granted seniority on a calendar year basis retroactive to their first date of hire paid status by the District.

Subd.2. The seniority list shall be updated as of September 1 and January 1 of each year and posted on employee bulletin boards – one bulletin board for each building. In addition, a copy shall be sent to the Union President and the Staff Representative. A seniority list shall be presented to the Union from the administration upon request.

Subd.3. Once the seniority list is posted, employees shall have 30 calendar days to correct any errors in the posting. Seniority dates that are in dispute may be grieved by the affected employee.

Section D. Departmental Seniority:

Seniority rights of employees shall be determined on a departmental basis. There shall be six departments in the bargaining unit, namely:

- a) Maintenance (Custodian, Utility, Transportation, Repair)
- b) Secretarial, Clerical
- c) Media Aide,
- d) Techs
- e) Para Educators; ECFEs, Educational Interpreters.
- f) Certified Occupational Therapy Assistants, Licensed Practical Nurses, Registered Nurses.

Paraprofessional/Drivers shall be placed on both the Maintenance and Para Educator seniority lists.

Section E. Full-Time Seniority:

Employees working 30 or more hours per week shall be considered full-time employees and be credited with 2080 hours of time per year. If a full-time employee had previously worked in a part-time position, their seniority date should be considered their first day of paid status. This date shall apply to promotions, lay-offs, longevity, and vacation accrual.

Section F. Part-Time Seniority:

For purposes of calculating seniority for longevity payment, vacation accrual, promotions and layoffs, the part-time employee's first date of paid status as a qualified public employee shall be used.

Section G. Losing Seniority:

An employee shall lose his seniority standing upon voluntary resignation from employment with the Employer, termination for cause, or after three years on a lay-off status.

Section H. Layoffs and Bumping (See Appendix A. Bumping):

In the event a general layoff is contemplated, the Employer agrees to call in the Union President and/or exclusive representative and to discuss the problem with them before any formal action is taken.

In the case of reduction of force or the elimination of a position, a senior employee may exert their seniority preference over a junior employee in any classification of work, provided they have the necessary qualifications to perform the duties of the job involved. In case of inter-district transfer, seniority within the job classification takes preference over the seniority rights of more senior employees in any other job classification. Employees who are laid off shall be re-hired according to seniority in the inverse order of layoffs.

Note: A reduction in hours worked per day, days worked per week, or total weeks worked per year shall be considered as a reduction in force.

Section I. Duration:

The seniority of an employee shall not be broken because of layoff, or by reason of leave of absence, if the employee returns to work at the expiration of his leave, providing the period does not exceed one year. In the event an employee shall be absent because of illness or injury, the Employer may require that the employee undergo a physical examination to determine whether or not he possesses the necessary health, strength and ability to perform the duties of his employment; and, if on the basis of such physical examination, the Employer shall determine that the employee lacks such requisite health, strength or ability to perform the duties of the position, the Employer may demote the employee to some other position for which he is qualified; or, in the event no such position be open for which the employee will qualify on a seniority basis, lay off such employee until such time as a job opportunity occurs in a position for which he is qualified.

Recall from a layoff shall be sent by certified mail to an employee's last recorded address. Recall shall be by department, in inverse order of layoff. The employee must notify the school district of intent to return to work within five (5) working days of the District's notice to recall. Upon receiving said notice, the employee has 15 days to return to work. Employees shall be allowed 5 days' time to make application to fill such vacancy. The senior employee applying for said vacancy shall be transferred to fill the vacancy, provided he/she has the necessary qualifications to perform the duties of the job. The employee awarded such vacancy will be moved to their new position one week after their successful bid. Said employee shall be granted a 15 working day trial period in which time he/she may opt to return to the previous position, and the employer shall have the same period to determine whether the employee is qualified to perform the duties of the position. Probationary employees shall not be eligible to bid on internal positions. However, if the job is not filled internally, probationary employees shall be given preference to bid prior to hiring externally.
2. If no full-time employee working within the department bids on the position, the most senior, part-time employees currently working within the department will be given priority.

Any such leave known in advance to be or which exceeds 67 calendar days shall be posted as a temporary position and filled per contractual posting stipulations. Temporary employees who are regular employees, shall be paid as per Appendix A according to year of employment. Temporary employees outside of the bargaining unit shall be paid according to Board policy and shall not receive fringe benefits. This section shall not negate the callback provision of the contract.

Subd.2. Temporary Employees Should a temporary employee subsequently be assigned to fill a regular position without a break in service, his/her seniority shall revert to the first day of employment.

Employee hired BEFORE 07/01/2007

The district's annual contribution to each employee's HCSP shall be based on the schedules above. Schedule A will be used for employees working 30 or more hours per week and Schedule B for employees working less than 30 hours per week. The maximum lifetime employer paid contribution entitlement is calculated by multiplying the employee's daily rate of pay on June 30, 2009 based on the 2008-2009 wage schedule times 65 days (\$9,000 minimum lifetime employer paid contribution for employees working 30 hours or more per week or \$3,000 minimum lifetime employer paid contribution for employees working less than 30 hours per week) providing the employee retires from the district with 10 years continuous service with the district and 55 years of age or older. Catch-up provision: Up to five years prior to retirement, the employee has the option to receive their remaining entitlement in equal annual installments into their HCSP up until their retirement date. The calculation above (65 days, etc.) shall be used for all qualified retiring employees upon notification of retirement. The employee may state their intent to retire in writing prior to April 15th to receive this benefit. Any previous contributions by the district to the employee in the form of HCSP or 403(b) shall be subtracted from the maximum entitlement to calculate the remaining contribution installments.

Employees hired AFTER 07/01/2007

Each active member hired after 07/01/2007 is entitled to a contribution into their MSRS Health Care Savings Plan based on the above schedules. Schedule A will be used for employees working 30 or more hours per week and Schedule B for employees working less than 30 hours per week. All contributions cease when employment with the district ends. No minimum entitlement exists. The maximum lifetime employer paid contribution entitlement is \$15,000 for employees working 30 or more hours per week and \$7,500 for employees working less than 30 hours per week.

For Employees Listed on the 6/23/2021 HCSP Appendix A (former ISD 2154 employees who would have qualified for benefits under the AFSCME contract with ISD 2154)

The district's annual contribution to each employee's HCSP shall be based on the schedules above. Schedule A will be used for employees working 30 or more hours per week and Scheduled B for employees working less than 30 hours per week. The maximum lifetime employer paid contribution entitlement is calculated on Appendix A (\$9,000 minimum lifetime employer paid contribution for employees working 30 hours or more per week or \$3,000 minimum lifetime employer paid contribution for employees working less than 30 hours per week) provided the employee retires from the district with 10 years continuous service with the district (including time worked for ISD 2154 and time worked for ISD 2909) and is immediately eligible at the time of separation to receive an annuity from PERA or TRA. Catch-up provision: up to five years prior to retirement, the employee has the option to receive their remaining entitlement in equal annual installments into their HCSP up until their retirement date. The employee may state their intent to retire in writing prior to April 15th to receive this benefit. Any previous contributions by the district to the employee in the form of HCSP contributions shall be subtracted from the maximum entitlement to calculate the remaining contribution installments.

District contributions shall be made into each employee's Health Care Savings Plan on May 1st (or the last business day proceeding May 1st if it falls on a weekend) each year.

Section G. Survivor Coverage

Section H. Flexible Spending Accounts

APPENDIX A BUMPING

The following criteria necessarily precipitate a bump within full time bargaining positions:

1. A reduction or elimination of bargaining unit position(s) (full-time)
2. A reduction in hours of work
3. A reduction in the rate of pay.
4. A change in physical building assignment.
5. A permanent change in the hours of work from the posted position's hours
6. A change in the posted position's scheduled days.
7. A change in the posted position's minimum qualifications, by adding requirements related to licensure or certification (e.g. CDL boiler's license; swimming pool license, etc.)

If any of these conditions are met, the effected employee shall be entitled to bump a junior employee in a position where the effected employee has seniority rights and the qualifications to perform the duties of the position. These criteria shall apply only to the full time AFSCME bargaining unit positions. The effected employee shall have ten (10) working days from the date of formal notification from the District regarding any of the above listed changes to designate to his/her immediate supervisor the position into which they have chosen to bump.

The parties may agree to hold a "bump day" to expedite the process if they agree that the bumping will cause a succession of bumps and take an inordinate amount of time to complete the process.

ARTICLE 19
